ANANDA TANDAVA
SOUND SYSTEM

We’d love to bring the Ananda Tandava Sound System to your event and take the vibe to another level.

As Bangalore’s first and only reggae sound system hand- built in Goa with both local and international talent it’s a true experience of reggae culture, mixed with Indian and Rastafari roots.

Ananda Tandava is more than music; we bring a unique, powerful energy that brings people together, creating unforgettable moments of love, respect, and positivity.

Booking us will make your event stand out, giving your audience something truly fresh and uplifting.
